

Michigan Clean Diesel Initiative

Inaugural Meeting

Wednesday, February 6, 2008

**Emission
Solutions**

Welcome!

- Chairs

- Lisa Goldstein, Southwest Detroit Environmental Vision
- Judy Murphy, Cummins Emission Solutions

- Planning Committee

- Attendees

MI Clean Diesel Initiative Group Objectives

The coalition will be to establish a dialogue among members that will help Michigan achieve improvements in the federal air quality standards by:

- Working with specific geographic areas and industry sectors of Michigan to identify where environmental improvements can be made through diesel emission reductions [**Identify Opportunities**];
- Developing a list of technologies that can be used by these industry sectors [**Develop Solutions**]; and
- Acting as a conduit to help identify funding opportunities and resources that can be used to implement diesel reduction technologies and strategies [**Facilitate Improvement**].

Objective: Identify Opportunities

Tasks:

- Communicate current status and identify geographic areas to focus improvement activities
- Identify major emissions sources in the focus locations
 - Specific Industry sectors

Objective: Develop Solutions

Tasks:

- Create List and Educate members on:
 - Industry Specific emissions reduction technology
 - Reasons (Business Case) for emissions reduction
 - Ways to Drive initiatives on a local level
- Brainstorm Innovative Program options

Objective: Facilitate Improvement

Tasks:

- Identify and Communicate funding sources
- Provide Resources for application process

Today's Meeting

- Current Air Quality
- Past Projects
- Funding Options
- Work Plan Development
 - Introduction and Purpose
 - Break Out Session
 - Group Discussion
- Plan for the coming year
- Adjourn

Ground Rules

■ PARTICIPATE!

- All input is valuable
- There are no “stupid questions”
- Please let a chairperson or committee member know if you’d like to become more involved

■ Facility

- Restrooms
- Emergency Exits

State Clean Diesel Workplan

- Need for the Workplan
 - Outline Clear Goals
 - Focus Areas?
 - Outline Clear Strategies to obtain Goals
 - Programs?
- Purpose of the Workplan
 - Submitted to Regional EPA for Funding Allocations????
- Format of the Workplan

Break - Out Sessions

- Work Plan Goals
- Brainstorm Project Ideas
- Review Objective of Clean Diesel Initiative
